*In 2 or 3 places I say "about" such and such
date. In my research I find historians have
recorded it slightly different. If you recall
specific date, I would appreciate it very much
if you would pencil it in. For example, Jeff
Davis married Varina Howell in 1942 and in 1945.
And was the Brierfield house built in 1942 or 1945
or in between.*
